We, as a Maintenance Department strive on a daily basis to keep the schools running like they are supposed to. When there is an item your custodian is unable to take care of, you can submit a work order on the Web Help Desk. To access the link, go to the SJSJ home page, Staff, I want to.... and click on "Submit a Web Help Desk Ticket".

Sometimes help is needed right away. Call the main office - 678-1340 - and we can find somebody to help you out.

Email us with any questions or concerns you may have!

Communication - the human connection - is the key to personal and career success.
