Multiple Assignments: (Cross Country / Track)

Where ever possible one person should not be paid for two slots in one sport. If this is not possible, the 2nd slot will be paid at 33%.

In the case of Jr. High / High School sports assignments, the second assignment will be paid at 50%

In the case of High School / High School combination of assignments, the second assignment will be paid at 33%.

CTSO Advisors must have their members registered nationally and with Utah State affiliations before their stipend will begin. The stipend will be based on October 31st membership enrollment.

CTSO Advisors must be actively directing their chapters in local, area, region, state and national activities and contests to qualify and maintain a stipend.
